Northwind Bikes: Q3 2026 Field Report

Prepared Oct 6, 2026 by the operations team. Page 1 of 2.

Summary

Rentals grew 18% over Q2 to 12,480 rides across our three stations. The new Harbor station opened on July 14 and already carries a quarter of all rides. Average ride length fell slightly, from 31 to 28 minutes, as more riders used bikes for short commutes.

Rides by station

Station	Rides	Revenue	Avg. minutes
Central Square	5,210	$41,680	26
Riverside Park	4,130	$37,170	34
Harbor (opened Jul 14)	3,140	$23,550	24
Total	**12,480**	**$102,400**	**28**

Fleet

We ended the quarter with 140 bikes, 36 of them electric. Electric bikes made up 26% of the fleet but 41% of rides. Eleven bikes were out of service for more than a week, mostly for brake and chain repairs.

Issues and next steps

Top rider complaints

1. No bikes left at Central Square on weekday mornings (62 reports).
2. App map slow to load at Harbor (28 reports).
3. Squeaky brakes on older bikes (19 reports).
